STRATECO RESOURCES AMENDS ITS STOCK OPTIONS PLAN AND GRANTS STOCK OPTIONS TO ITS DIRECTORS

Strateco Resources Inc. (“Strateco”) announces that its Board of Directors has by resolution approved the amendments to the Strateco’s Stock Options Plan (“Plan”) pursuant to the requirements of TSX Venture Exchange Policy 4.4.

One of the amendments to the Plan increases the number of common shares reserved for the grant of incentive stock options to officers, directors, employees of a management company and consultants, including consultants in Public Relations and Investor Relations Activities, from 3,800,000 shares to 10,654,586 shares or 10% of the outstanding common shares.

The principal terms of the plan provide that the maximum number of options that can be granted to any participant cannot exceed 5% of the issued and outstanding shares of the capital stock. The price of the options granted may not be less than the discounted market price of the common shares on the TSX Venture Exchange at the time the options are granted. The options granted are valid for a period established by the board of directors, not to exceed five years from the date the options are granted. On April 11th, 2007, Strateco received the TSX Venture Exchange approval for the amendments to the Plan.

Today, the Board of Directors granted a total of 700,000 stock options to Strateco’s Directors at a price based on the closing market value of the share on the eve of the grant that is at the price of \$3.37 per share. The granted stock options have been allocated as follows:

Guy Hébert, President and Director: 250,000; Jean-Pierre Lachance, Executive Vice-President: 150,000; Jean-Guy Masse, Director: 75,000; Robert Desjardins, Director: 75,000; Marcel Bergeron, Director: 75,000; and Henri Lanctôt, Secretary and Director: 75,000 stock options.

These stock options to purchase shares allow its holder to levy these stock options for a period of five years, until April 11, 2012. The underlying shares of these options are subject to a sale restriction period of four months and a day following the date of the grant.
