## STRATECO: DELISTING REVIEW (TSX)

**Boucherville, Qc, April 15, 2014** – Strateco Resources Inc. ("Strateco") announced today that the Toronto Stock Exchange ("TSX") has extended its review of the eligibility of the Company's common shares for continued listing for a period of 30 days.

Note that the TSX has been reviewing the eligibility of Strateco's common shares for listing under the continued listing requirements since December 17, 2013. Under the remedial review process, Strateco had 120 days in which to regain compliance with the financial requirements for continued listing, and now has an additional 30 days to do so.

Strateco intends to use the additional time to demonstrate that it has restored its financial health sufficiently to warrant the continued listing of its shares, which have traded on the TSX since June 2007.

In the event that it could not meet the TSX financial requirements, Strateco will consider listing its shares on another trading platform to ensure ongoing trading in the shares.
