### **SCOPING STUDY NOW AVAILABLE**

Montreal, December 19<sup>th</sup>, 2008 - Strateco Resources Inc. ("Strateco") is pleased to announce that the complete Technical Report on the preliminary assessment (scoping study) of its 100% owned Matoush property is now available on Strateco's website ([www.stratecoinc.com](http://www.stratecoinc.com)) and will be on SEDAR within 24 hours ([www.sedar.com](http://www.sedar.com)).

The scoping study was conducted by Scott Wilson Roscoe Postle Associates Inc. with the participation of Melis Engineering Ltd. for capital and processing costs, Golder Associates for radiation, environment and reclamation costs and SD Energy Associates Ltd. for marketing and price determination.

The scoping study indicates very strong economics for Matoush. A summary of the economics was released by Strateco in a press release on November 11<sup>th</sup>, 2008 ([Press release](#)).

*This press release contains forward-looking statements subject to certain risks and uncertainties. There can be no assurance that these statements will prove to be correct, and actual results and future events could differ materially from those implied by such statements. These risks and uncertainties are discussed in the annual report filed with the securities commissions of Alberta, British Columbia, Ontario and Quebec, and in the 10-KSB annual report filed with the US Securities and Exchange Commission.*
